A-Plus Reporting Universal Format

ISO Claim Search is available to those clients who would like to begin reporting to A-Plus using their universal format. Please contact Support if you are interested in this universal format coding.

Document Naming

Electronic Document Naming coding is now available. PW081 Declaration Printing and AR084 Cancellation/Reinstatement Letters can be set up to email to two different emails per agency; one for commercial and one for personal.

Mortgagee Notification

We expanded Mortgagee Notification to include version 5 of CV Exchange.

URB Farm Owners Manual

We have a new version of the URB FO Manual. Contact Support if you would like the update. If you are interested in commercial class rating of Farmowners, this is for you!

Reminder : Postal Rates Changed Effective 1/22/17

Verify the new rates with your local Post Office and your postage meter supplier; and follow instructions recently sent to keep your INSPRO settings up to date. Please email Support if you need another copy.

Did You Know?

INSPRO supports rating and reporting of ID Recovery, Service Line, and Mechanical Breakdown to Travelers, Mutual Boiler Re and Hartford Steam Boiler.
